## 2010 ANNUAL BANQUET

What a great banquet we had this year! A total of 49 people attended the annual banquet. That made it special for everyone. I was so glad to see everyone bubbling with joy and happiness at seeing each other. When it was time for dinner, everyone was so busy talking and having a good time, it was hard to get their attention to come to eat. It was good to see some of the past members that I hadn't seen for years. People like Roger and Mary Buss, Linda Polin, Linda Heiland(Watson), Jeannie Butterfield, just to name a few. Tippecanoe is a great place to hold the banquet, good food, private banquet room, a bar that is convenient. It is a place where we can visit with each other, laugh and sometimes get a little noisy without bothering other guests. Congratulations to Dick Zander, our new president and also to Mary Burnside, our Viking of the Year.

Love ya all,  
Ed Smoker

### **Sunburst Marathon June 5, 2010**

It was a sunny day, with high humidity for the runners of the 2010 Sunburst Marathon. There were 800 runners participating this year and 10 brave Vikings manning the Nuner waterstop, who served the 800 runners twice during the race.

Thankfully, I brought my 10 year old grandson Jordan and Karen brought 2 of her older grandchildren, Matthew and Amanda, who were very energetic (maybe it was because they were young??). Without their help and energy we would have struggled.

A BIG thank you to the Vikings who gave up their Saturday morning to help at the water stop. They were: Bob Edwards, Jordan Edwards, Rudy Soland, Marge Soland, Mary Burnside, Karen Swanson, Matthew and Amanda Megyese, Ed Smoker and Larry and Jeanne Robertson.

The highlight of Jordan's morning was a 1972 one dollar coin he was given as a tip for his efforts by one of the runners.

We barely diverted disaster when we almost ran out of cups for the water and Gatorade, but extra cups arrived just in the nick of time.

Jeanne and Larry brought a big camping canopy and folding chairs, but we didn't have much time to use them, it was busy, busy, busy for about 2 ½ hours straight.

As we do each year, we all had a great time.

Bob
