All formats are available on the club website at <http://www.vikingskiclub.com/>. For member that do not have in email, the Scroll can be mailed to you via USPS. You will need Adobe Reader version 5 or newer, available free from www.adobe.com.

FROM THE EDITOR

Due to other commitments the Scroll has been minimally updated this month. Only the Event and Calendar and a new section from Stan Mason. Again this year Stan has made available club cards from Swiss Valley. Stan has provided a lot of details describing Viking Racing and some non-racing events for the upcoming ski season, including a cross country outing at Love Creek.

Check out the updated calendar on the last page. It's really getting full.

VIKING RACING

VIKING SKI CLUB WINTER 2008 PLANS (9/25/07)

The vision of our club's Racing & Event Program is to enjoy outdoor winter activities as a group for a reduced rate and promote Alpine Ski Racing. We have enjoyed the Swiss Valley Friday Club Night for over 20 years. With occasional weekend trips to other ski resorts primarily in Michigan. Viking also have Western Trips that can be found

- The club card can be shared with others (take 7 friends and burn it up in one night if you like)

RACING CALENDAR

Another option within the Ski Umbrella is Ski racing. This form of racing is primarily a Giant Slalom events that you may have observed while watching the Winter Olympics. You need to have your own skis to enter these events. The following are some of our plans for the season.

JANUARY:

are 4 classifications from beginner to advance racers for most ages going for overall club points. 2 races (2 runs each) on Saturday and 2 races on Sunday.

RACING for CHILDREN

- Swiss Valley and Timber Ridge both have an excellent Children's Junior Race Programs with practice on Sundays and 4 local races. This is an excellent local opportunity for you and your children to become more acclimated towards ski racing.

NASTAR

Many of our members enjoy racing in the NASTAR system whether it is locally or at a Club Trips Out West. We are going to start a competition among our individual Ski Clubs. I am not sure what this will evolve into this first year. The responsibility will be for each Club's Race Chairman to organize per instruction below. ISC will share results by mid April. We will use NASTAR's second best Handicap Run as the fastest time for that person (with the exception if you have only run one event we will honor that time as well). The cutoff date will be March 15.

Club Race Chair Responsibility:

- Create a roster of racer's name, age, sex and handicap per club and submit to ISC before April 1

ISC Responsibility:

- To compile results of each individual club and present an overall ranking for each of the categories outlined in ISC race rules. Example = compile per category (age and sex) the highest to lowest handicap. Using the ISC system award points for 1st through last in that category assigning a ranking. There will be overall point's award per club. The more club racers that enter NASTAR the better your chances to do well as a club (this will also promote Alpine Ski Racing)
- NASTAR club competition at Timber Ridge Ski Resort in Michigan. January 6, 2007 at 1PM. Any ISC club is welcome to join us.
- Distribute results to each ISC Club Race Chair

Additional details on NASTAR are available at www.nastar.com

I welcome any questions on becoming a ski racer and will continue to update you as the season progresses. Please contact Stan Mason if interested in any of these events. (StanBMason@AOL.com). I will add you to my distribution list so I can update you.
